INDEX TO VOLUME 97

POSTGRADUATE MEDICINE

JANUARY-JUNE 1995

SUBJECTS

ACQUIRED IMMUNODEFICIENCY SYNDROME: See AIDS
ADOLESCENT MEDICINE: See Pediatrics
AGING
• Acute lower gastrointestinal bleeding, diagnosis and treatment. 97(4):154
• Alzheimer's disease. (PN) 97(3):184
• Alzheimer's disease and institutional placement, helping families decide. 97(1):125*
• Alzheimer's disease, in-home care. (PN) 97(4):166
• Behavioral problems in nursing home residents, evaluation and treatment. 97(5):189*
• Changes in male sexual functioning. 97(4):128
• Medicare and managed care. (ED) 97(6):15
• Polymyalgia rheumatica or Lyme disease, avoiding misdiagnosis. (CR) 97(1):161
• Urinary incontinence in elderly, types, causes, and treatment. 97(5):109*
AIDS
• Curbing spread with methadone maintenance treatment. 97(3):83
• Cytomegalovirus retinitis, selecting appropriate therapy. 97(1):109*
AIRWAY OBSTRUCTION
• Asthma, acute severe, guide to evaluation and management of potentially fatal exacerbations. 97(6):71*
• Asthma, occupational, management. 97(6):93*
• Bronchial asthma, physiologic evaluation to assess disease status, guide therapy, and monitor response. 97(6):56*
• Bronchiectasis, identification, treatment, and prevention. 97(2):149*
• Nocturnal asthma and exercise-induced bronchospasm, causes, recommendations for management. 97(6):83*
ALCOHOLISM
• Alcohol-induced macrocytosis. 97(5):175
• Physical examination of substance abusers to detect signs of physical illness. 97(4):111*
ALLERGY
• Role in sinusitis, characteristics and treatment. 97(5):45

*Major clinical discussion
CR, Case Report
ED, Editorial
PH, Physician-at Large
PN, Patient Notes

ALZHEIMER'S DISEASE
• In-home care. (PN) 97(4):166
• Institutional placement, helping families decide. 97(1):125*
• Patient information. (PN) 97(3):184
ANTIBIOTICS: See Drugs, antibiotic
ARTHRITIS: See Rheumatic diseases
ASTHMA
• Acute severe, guide to evaluation and management of potentially fatal exacerbations. 97(6):71*
• Bronchial, physiologic evaluation to assess disease status, guide therapy, and monitor response. 97(6):56*
• Nocturnal and exercise-induced bronchospasm, causes, recommendations for management. 97(6):83*
• Occupational, management, environmental controls for prevention. 97(6):93*

BACK
• Pain, in vertebral osteomyelitis, diagnosis and treatment. 97(6):147
BANDAGES
• Dressings for burns. 97(5):159
BEHAVIOR DISORDERS
• Age-related cognitive impairment, evaluation of nursing home patients, approaches to treatment. 97(5):189*
• Borderline personality disorder, diagnostic criteria, guidelines for patient care. 97(6):169*
BEHAVIORAL MEDICINE
• Behavior modification for nursing home patients with behavioral problems. 97(5):190
BIOPSY
• Fine-needle aspiration, neck mass. 97(5):88
BLEEDING: See Hemorrhage
BURNS
• Characteristics of different types, management advice. 97(5):151*

CALCIUM
• Hypercalcemia, clinical evaluation and treatment options. 97(1):153
CANCER: See Neoplasms
CARDIOVASCULAR DISEASES
• Cardiac complications of Kawasaki syndrome, diagnosis and treatment. 97(2):121*
• Cardiac involvement in systemic lupus erythematosus. 97(4):89
• Central venous catheters, advantages and disadvantages, methods to avoid intracardiac placement. 97(3):65*
• Chest pain, diagnosis using stress tests, indications and contraindications, cost-effective management strategies. 97(2):131*
• Diagnostic cardiac catheterization, guidelines for appropriate use. 97(3):37*
• Echocardiography in assessing patients with cardiac disorders, clinical applications and adjunctive uses. 97(3):47*
• Myocardial infarction, complications, prognosis, and changing management practices. 97(6):155*
• Myocardial infarction, early thrombolytic therapy to save lives. 97(5):135*
• Orthostatic hypotension as cause of dizziness. 97(3):70
• Peripheral arterial disease, percutaneous treatment techniques. 97(6):109*
• Pulmonary embolism, acute, managing stable and unstable cases. 97(1):61*
• Pulmonary embolism, chronic, treatment with pulmonary endarterectomy. 97(1):75*
• Pulmonary embolism subsequent to deep venous thrombosis, management to reduce risk. 97(1):36*;(correction) 97(3):26
• Pulmonary embolism, suspected, difficulties of diagnostic evaluation. 97(1):51*
• Venous thrombosis, diagnosis and management. 97(1):36*;(correction) 97(3):26
CATHETERIZATION
• Cardiac, diagnostic, guidelines for appropriate use. 97(3):37*
• Central venous, placement and monitoring tips. 97(3):65*
CONTRACEPTIVES
• Oral, effect on migraine. 97(4):151
• Oral, for hirsutism. 97(1):105

DELIVERY OF HEALTHCARE
• American Medical Association, strategic plan and future challenges. (ED) 97(2):19
• Controlling costs with medical savings accounts. (ED) 97(3):13
• Managed care Medicare programs. (ED) 97(6):15
• Warnings against government-controlled plan. (ED) 97(1):15
DIABETES
• Initiating insulin therapy, assessing and accommodating individual needs for better control. 97(2):86*
DIAGNOSTIC TECHNIQUES
• Diagnostic cardiac catheterization, guidelines for appropriate use. 97(3):37*
• Expiratory airflow measurement in assessment of asthma. 97(6):61
• For acute lower gastrointestinal bleeding. 97(4):155
• For venous thrombosis. 97(1):39;(correction) 97(3):26
• Imaging procedures in suspected vertebral osteomyelitis. 97(6):151
• In diagnosis of neck mass. 97(5):88
• In evaluating erectile dysfunction. 97(4):133
• In evaluation of suspected pulmonary embolism. 97(1):52
• In identifying gastrointestinal tract motility. 97(3):95
• Laboratory tests in diagnosis of rheumatic diseases, usefulness, sensitivity, and specificity. 97(4):65*
• Percussion test for carpal tunnel syndrome. 97(1):91
• Phalen's maneuver for carpal tunnel syndrome. 97(1):91
• Stress testing in diagnosis of chest pain, indications and contraindications, cost-effective management strategies. 97(2):135
DIET: See Nutrition
DIZZINESS
• History taking to determine cause. 97(3):70*
DRUG ABUSE
• Methadone maintenance treatment, when and how to refer patients. 97(3):83*
• Substance abusers, physical examination, gathering evidence of concealed problems. 97(4):111*
DRUG THERAPY
• For psoriatic arthritis. 97(4):105
• For treatment of severe gastroesophageal reflux disease. 97(5):102
• Foscarnet in treatment of cytomegalovirus retinitis in persons with AIDS. 97(1):113
• Ganciclovir in treatment of cytomegalovirus retinitis in persons with AIDS. 97(1):117
DRUGS, ANTIANGINAL
• Nitroglycerin in myocardial infarction. 97(5):138
DRUGS, ANTIBIOTIC
• Bronchiectasis, identification, treatment, and prevention. 97(2):155
• For acute and chronic sinusitis. 97(5):48
• For otitis media. 97(5):73
• For pharyngitis. 97(5):68
• For underlying causes of Reiter's syndrome. 97(3):117
DRUGS, ANTICHOLINERGIC
• Supplement to $beta_2$ agonists in acute severe asthma. 97(6):75
continued

DRUGS, ANTICOAGULANT
• For myocardial infarction. 97(5):141
• In management of venous thrombosis. 97(1):41;(correction) 97(3):26
DRUGS, ANTITHROMBOTIC
• Hirudin for myocardial infarction. 97(5):141
DRUGS, ANTIVIRAL
• Ribavirin for hantavirus pulmonary syndrome. 97(3):133
DRUGS, BENZODIAZEPINE
• For nursing home patients with dementia and behavioral problems. 97(5):191
DRUGS, BRONCHODILATOR
• Aminophylline for acute asthma. 97(6):75
• Beta$_2$-adrenergic agonists for patients with acute asthma. 97(6):73
DRUGS, CORTICOSTEROID
• In management of acute severe asthma. 97(6):74
• Role in reducing inflammation after injury. 97(2):42
DRUGS, HORMONE
• Androgen replacement therapy for erectile dysfunction. 97(4):140
• Oral contraceptives for hirsutism. 97(1):105
DRUGS, IMMUNOSUPPRESSANT
• In liver transplant patients. 97(2):109
DRUGS, NEUROLEPTIC
• For nursing home patients with dementia and behavioral problems. 97(5):190
DRUGS, NONSTEROIDAL ANTI-INFLAMMATORY (NSAIDs)
• For acute inflammation after injury. 97(2):42
• For gout. (PN) 97(6):202
DRUGS, SALICYLATE
• Aspirin as adjunctive therapy for acute myocardial infarction. 97(5):141
DRUGS, SIDE EFFECTS
• Drug-induced macrocytosis. 97(5):171
• From foscarnet for cytomegalovirus retinitis. 97(1):113
• From ganciclovir for cytomegalovirus retinitis. 97(1):117
• Sexual dysfunction in men. 97(4):133
DRUGS, THROMBOLYTIC
• For acute pulmonary embolism. 97(1):65
• For unstable acute pulmonary embolism. 97(1):68
• In management of deep venous thrombosis. 97(1):45;(correction) 97(3):26
• Risk of complications following myocardial infarction. 97(6):161
• To reduce death rates in patients with myocardial infarction. 97(5):135*

EAR DISEASES
• Otitis media, answers to frequently asked questions. 97(5):73*
• Otitis media with effusion in infants and children, diagnosis and treatment. 97(1):137*
ECHOCARDIOGRAPHY
• In evaluating chest pain. 97(2):139
• Transesophageal, clinical applications and adjunctive uses. 97(3):47*
ELBOW
• Tennis. (PN) 97(2):168
ELDERLY: See Aging
EMERGENCY MEDICINE
• Acute pulmonary embolism, aggressive therapy for optimal outcome. 97(1):61*
• Acute severe asthma, guide to evaluation and management of potentially fatal exacerbations. 97(6):71*
• Burns, characteristics of different types, management. 97(5):151*
• Venous thrombosis, management to prevent pulmonary embolism. 97(1):36*;(correction) 97(3):26
ENDOCRINE DISORDERS
• Diabetes: See Diabetes
• Erectile dysfunction, evaluation and treatment. 97(4):127*
• Hirsutism and virilization, causes and treatment options. 97(1):99*
• Hypercalcemia, clinical evaluation and treatment options. 97(1):153*
• Menstrual dysfunction in athletes, identification and treatment of patients at risk for skeletal injury. 97(3):143*
• Sex hormone levels and migraine in women, effects of changes. 97(4):147*
ENDOSCOPY
• Flexible upper gastrointestinal, in diagnosis of gastroesophageal reflux disease. 97(5):101
ENVIRONMENTAL HAZARDS
• Causative agents in occupational asthma. 97(6):94
EXERCISE
• Accompanying bronchoconstriction, causes, diagnosis, and management. 97(6):83*
• Associated menstrual dysfunction, identifyng and treating athletes at risk for skeletal injury. 97(3):143*
• In patients with peripheral arterial disease. 97(6):111
• Pelvic floor muscle for urinary incontinence. 97(5):115
• Therapeutic, to stimulate healing of injuries with acute inflammatory response. 97(2):46
EYE DISORDERS
• Cytomegalovirus retinitis in persons with AIDS, selecting appropriate therapy. 97(1):109*
• Ocular manifestations of Reiter's syndrome. 97(3):115

FEVER
• In Kawasaki syndrome, diagnosis and treatment. 97(2):121*

GASTROINTESTINAL DISEASES
• Acute lower gastrointestinal bleeding, overview of diagnostic and therapeutic options. 97(4):154*
• Celiac disease and macrocytosis. 97(5):182
• Gastric resection contributing to macrocytosis. 97(5):176
• Gastroesophageal reflux disease, current management techniques. 97(5):98*
• In systemic lupus erythematosus. 97(4):90
• Manifestations of Henoch-Schönlein purpura. 97(5):127
• Neuromuscular diseases of gastrointestinal tract, characteristics and therapeutic agents. 97(3):95*
GENETIC DISORDERS: See Hereditary diseases
GENITAL DISEASES
• Genitourinary symptoms in patients with post-dysenteric Reiter's syndrome. 97(3):115
• Pap smear. (PN) 97(1):178
GERIATRICS: See Aging
GYNECOLOGY: See Obstetrics/Gynecology

HAND
• Carpal tunnel syndrome, diagnosis and treatment. 97(1):89*
HEAD INJURIES
• Concussion in collision sports, guidelines for sideline management. 97(2):53*
HEADACHE
• Migraine, in women, effects of changing sex hormone levels. 97(4):147*
HEALTH POLICY
• Beware government-controlled healthcare. (ED) 97(1):15
• Current and future changes. (ED) 97(5):13
• Managed care Medicare programs. (ED) 97(6):15
• Pre-tax dollars for health insurance and medical savings accounts. (ED) 97(3):13
• Role of AAFP in shaping health policy and healthcare reform. (ED) 97(4):19
• Role of AMA in healthcare reform debate. (ED) 97(2):19
HEART DISEASE: See Cardiovascular diseases
HEMATOLOGIC DISEASES
• Eosinophilia of blood, unexpected manifestation of squamous cell carcinoma. (CR) 97(3):169
• Henoch-Schönlein purpura, manifestations and possible causes, recent studies. 97(5):123*
• In systemic lupus erythematosus. 97(4):92
• Macrocytosis, causes, diagnosis, and management. 97(5):171*
HEMORRHAGE
• Acute lower gastrointestinal bleeding, overview of diagnostic and therapeutic options. 97(4):154*
• Bleeding, complication of thrombolysis after myocardial infarction. 97(6):161
HEREDITARY DISEASES
• Genetic influence in systemic lupus erythematosus. 97(4):79
HOME CARE
• For Alzheimer's patients. (PN) 97(4):166
HORMONES
• For treatment of menstrual dysfunction in athletes. 97(3):150
• Sex, changing levels may be linked to migraine in women. 97(4):147*
HYPOGLYCEMIA
• Side effect of intensive insulin therapy. 97(2):89

IMMUNOLOGIC DISEASES
• Autoantibodies in diagnosis of systemic lupus erythematosus. 97(4):93
• Cytomegalovirus retinitis in persons with AIDS, selecting appropriate therapy. 97(1):109*
IMMUNOSUPPRESSION
• Lifelong in liver transplant patients. 97(2):109
IMPOTENCE
• Erectile dysfunction, evaluation and treatment. 97(4):127*
INCONTINENCE
• Urinary, in elderly, types, causes, and treatment. 97(5):109*
INFECTION
• Acute otitis media, diagnosis and treatment. 97(5):76
• Bronchiectasis, identification, treatment, and prevention. 97(2):149*
• Cytomegalovirus retinitis in persons with AIDS, selecting appropriate therapy. 97(1):109*
• Hantavirus pulmonary syndrome, clinical features and recommendations on prevention. 97(3):127*
• HIV from injecting drug use, curbing spread through methadone maintenance treatment. 97(3):83
• In pharyngitis, diagnostic workup and treatment. 97(5):61*
• Otitis media with effusion in infants and children, diagnosis and treatment. 97(1):137*
• Polymyalgia rheumatica or Lyme disease, avoiding misdiagnosis in elderly patients. (CR) 97(1):161
• Pulmonary, in patients with asthma. 97(6):73
• Pulmonary tuberculosis, overview on recent resurgence. 97(4):35*
• Reiter's syndrome, key factors in clinical evaluation and treatment. 97(3):111*
• Septic arthritis, evaluation and treatment. 97(4):54
• Sinusitis, bacterial, characteristics and treatment. 97(5):45
• Trichinosis, epidemiology, diagnosis, and treatment. 97(6):137*
• Vertebral osteomyelitis, prompt diagnosis and treatment to avoid complications. 97(6):147*
INFLAMMATION
• Acute, after injury, quick control and therapeutic exercise options. 97(2):35*
• Airway in bronchial asthma, guide to essential physiologic evaluation. 97(6):56*
• Inflammatory arthritis possibly Reiter's syndrome, clinical evaluation and treatment. 97(3):111*
• Inflammatory neck masses, diagnosis. 97(5):92

• Joint, in arthritis of recent onset, evaluation and treatment. 97(4):52*
• Psoriatic arthritis, clinical features and therapeutic agents. 97(4):97*
INJURIES: See Trauma
INSULIN
• For diabetes, assessing and accommodating individual needs for better control. 97(2):86*
INSURANCE, HEALTH
• Makes health costs seem like other people's money. (ED) 97(3):13
• Managed care Medicare programs. (ED) 97(6):15
INTESTINAL DISEASES: See Gastrointestinal diseases

JOINTS
• Arthritis of recent onset, evaluation and treatment. 97(4):52*
• Gout. (PN) 97(6):202
• Inflammation in Reiter's syndrome, evaluation and treatment. 97(3):115
• Shoulder problems in athletes, clinical examination and management. 97(2):67*
• Symptoms of Henoch-Schönlein purpura. 97(5):132
• Temporomandibular, symptoms, causes, and treatment of TMJ disorder. (PN) 97(5):206

KIDNEY DISEASES
• In patients with systemic lupus erythematosus. 97(4):89
• Renal findings in Henoch-Schönlein purpura. 97(5):127

LABORATORY INVESTIGATION
• In diagnosis of rheumatic diseases, usefulness, sensitivity, and specificity. 97(4):65*
• In patients with Reiter's syndrome. 97(3):116
• In pharyngitis. 97(5):66
• In substance abusers to detect signs of physical illness. 97(4):118
LEG
• Phlebitis, diagnosis and management. 97(1):36*;(correction) 97(3):26
LIVER DISEASES
• Cause of macrocytosis. 97(5):175
• Transplantation, indications for in adults, postsurgical considerations. 97(2):101*
LUNG DISEASES
• Pulmonary complications of Henoch-Schönlein purpura. 97(5):132
LUPUS ERYTHEMATOSUS, SYSTEMIC
• Manifestations of disease, overview of current treatment. 97(4):79*

MEDICAL PRACTICE
• American Medical Association, strategic plan and future challenges. (ED) 97(2):19
• Role of AAFP in shaping health policy and healthcare reform. (ED) 97(4):19
• Sweeping changes even without federal healthcare legislation. (ED) 97(5):13
METHADONE
• Maintenance treatment to curb spread of AIDS and decrease injecting drug abuse. 97(3):83*
MIGRAINE: See Headache
MOUTH DISEASES
• Temporomandibular joint (TMJ) disorder, symptoms, causes, and treatment. (PN) 97(5):206
MUSCULOSKELETAL DISORDERS
• Carpal tunnel syndrome, diagnosis and treatment. 97(1):89*
• Injuries with acute inflammation, quick control and therapeutic exercise options. 97(2):35*
• Risk for skeletal injury in athletes with menstrual dysfunction, identification and treatment. 97(3):143*
• Shoulder problems in athletes, clinical examination and management. 97(2):67*
• Symptoms of systemic lupus erythematosus. 97(4):86
• Temporomandibular joint (TMJ) disorder, symptoms, causes, and treatment. (PN) 97(5):206
• Tennis elbow. (PN) 97(2):168
• Vertebral osteomyelitis, prompt diagnosis and treatment to avoid complications. 97(6):147*
MYOCARDIAL INFARCTION: See Cardiovascular diseases

NASAL DISORDERS
• Sinusitis, acute and chronic, characteristics and treatment. 97(5):45*
NECK
• Mass, differential diagnosis. 97(5):87*
• Pain, in vertebral osteomyelitis, diagnosis and treatment. 97(6):147
NEOPLASMS
• Neck mass, differential diagnosis. 97(5):93
• Squamous cell carcinoma, unexpected diagnosis after eosinophilia of blood, report of case. (CR) 97(3):169
NEUROLOGIC MANIFESTATIONS
• Alzheimer's disease. (PN) 97(3):184
• Alzheimer's disease and institutional placement, helping families decide. 97(1):125*
• Alzheimer's disease, in-home care. (PN) 97(4):166
• Ataxia causing dizziness. 97(3):70
• Carpal tunnel syndrome, diagnosis and treatment. 97(1):89*
• Concussion in collision sports, evaluation and management. 97(2):53*
• Dementia and associated behavioral problems in nursing home residents, patient evaluation and treatment approaches. 97(5):189*
• Dizziness, steps to determining cause. 97(3):70*
• Migraine: See Headache
• Neuromuscular diseases of gastrointestinal tract, characteristics and therapeutic agents. 97(3):95*
• Neuropsychiatric systemic lupus erythematosus. 97(4):90
NURSING HOMES
• Behavioral problems, patient evaluation, treatment approaches. 97(5):189*
• Institutional placement for patients with Alzheimer's disease, helping families with decision making. 97(1):125*
NUTRITION
• Folate and vitamin B_{12} deficiency, role in macrocytosis. 97(5):171
• Hypercalcemia, clinical evaluation and treatment options. 97(1):153*
• Trichinosis, epidemiologic factors. 97(6):137

OBSTETRICS/GYNECOLOGY
• Consequences of premature sexual activity. 97(6):121
• Menstrual dysfunction in athletes, identification and treatment of patients at risk for skeletal injury. 97(3):143*
• Ovarian causes of hirsutism. 97(1):100
• Pap smear. (PN) 97(1):178
• Sex hormone levels, changes affect migraine in women. 97(4):147*
OCCUPATIONAL DISEASES
• Asthma, management, prevention. 97(6):93*
• Carpal tunnel syndrome, diagnosis and treatment. 97(1):89*
OCULAR DISORDERS: See Eye disorders
OTORHINOLARYNGOLOGIC DISEASES
• Neck mass, differential diagnosis. 97(5):87*
• Otitis media, answers to frequently asked questions. 97(5):73*
• Otitis media with effusion in infants and children, diagnosis and treatment. 97(1):137*
• Pharyngitis, common causes, diagnostic workup, and treatment. 97(5):61*
• Sinusitis, acute and chronic, easing symptoms and locating cause, therapeutic interventions. 97(5):45*
• Vertiginous and nonvertiginous dizziness, pinpointing cause. 97(3):70*

PAIN
• Back or neck, in vertebral osteomyelitis, diagnosis and treatment. 97(6):147
• Chest, diagnosis using stress tests, indications and contraindications, cost-effective management strategies. 97(2):131*
• Control in burn patients. 97(5):155
• Gout. (PN) 97(6):202
• Headache: See Headache
• Tennis elbow. (PN) 97(2):168
• Wrist, carpal tunnel syndrome, diagnosis and treatment. 97(1):89*
PATIENT EDUCATION
• Alzheimer's disease. (PN) 97(3):184
• Gout. (PN) 97(6):202
• Home care of Alzheimer's patients. (PN) 97(4):166
• Pap smear. (PN) 97(1):178
• Temporomandibular joint (TMJ) disorder, symptoms, causes, and treatment. (PN) 97(5):206
• Tennis elbow. (PN) 97(2):168
PEDIATRICS
• Adolescent sex, strategies for promoting abstinence in teens. 97(6):121*
• Bronchiectasis, identification, treatment, and prevention. 97(2):149*
• Concussion in collision sports, guidelines for management. 97(2):53*
• Congenital bronchiectasis, identification and treatment. 97(2):149
• Henoch-Schönlein purpura, recent studies, manifestations and possible causes. 97(5):123*
• Kawasaki syndrome, clinical features and treatment. 97(2):121*
• Neck mass in children and young adults, diagnostic tests. 97(5):87
• Otitis media, answers to frequently asked questions. 97(5):73*
• Otitis media with effusion in infants and children, diagnosis and treatment. 97(1):137*
• Pharyngitis, accurate diagnosis and appropriate treatment to avoid serious complications. 97(5):61*
PHARYNGEAL DISEASES
• Pharyngitis, common causes, diagnostic workup, and treatment. 97(5):61*
PHYSICAL EXAMINATION
• In suspected angina pectoris. 97(2):132
PHYSICIANS
• AAFP, role in shaping US health policies. (ED) 97(4):19
• Shrinking job market and incomes. (ED) 97(5):13
PREVENTIVE MEDICINE
• Pap smear. (PN) 97(1):178
• Preventing premature sexual activity, strategies for promoting teen abstinence. 97(6):121*
• Prevention of heart disease. 97(5):135
PSYCHIATRIC/PSYCHOSOCIAL DISORDERS
• Borderline personality disorder, diagnostic criteria, guidelines for patient care. 97(6):169*
• Institutional placement of patients with Alzheimer's disease, helping families decide. 97(1):125*
• Methadone maintenance treatment to curb spread of AIDS, when and how to refer patients. 97(3):83*
• Premature sexual activity, strategies for promoting abstinence in teens. 97(6):121*
• Psychological concerns in initiating insulin therapy for diabetes. 97(2):88
• Substance abusers, physical examination to detect signs of physical illness. 97(4):111*

continued

PUBLIC HEALTH
• Occupational asthma, diagnosis, management, and prevention. 97(6):93*
• Pulmonary tuberculosis, overview on recent resurgence. 97(4):35*
• Trichinosis, epidemiology, diagnosis, and treatment. 97(6):137*
PULMONARY DISEASES: See Lung diseases; Respiratory diseases

RADIOGRAPHY
• Chest, to confirm extracardiac position of central venous catheter. 97(3):67
REHABILITATION
• Following myocardial infarction. 97(6):165
• Therapeutic exercise after injury. 97(2):46
RESPIRATORY DISEASES
• Asthma, acute severe, guide to evaluation and management of potentially fatal exacerbations. 97(6):71*
• Asthma, occupational, management, environmental controls for prevention. 97(6):93*
• Bronchial asthma, physiologic evaluation to assess disease status, guide therapy, and monitor response. 97(6):56*
• Bronchiectasis, identification, treatment, and prevention. 97(2):149*
• Hantavirus pulmonary syndrome, clinical features and recommendations on prevention. 97(3):127*
• Nocturnal asthma and exercise-induced bronchospasm, causes, management recommendations. 97(6):83*
• Pulmonary diseases, acute, managing stable and unstable cases. 97(1):81*
• Pulmonary embolism, chronic, treatment with pulmonary endarterectomy. 97(1):75*
• Pulmonary embolism subsequent to venous thrombosis, management to reduce risk. 97(1):36*;(correction) 97(3):26
• Pulmonary embolism, suspected, difficulties of diagnostic evaluation. 97(1):51*
• Pulmonary manifestations of systemic lupus erythematosus. 97(4):90
• Pulmonary tuberculosis, overview on recent resurgence. 97(4):35*
• Sinusitis, acute and chronic, characteristics and treatment. 97(5):45*
RESPIRATORY FUNCTION TESTS
• Essential in physiologic evaluation of bronchial asthma. 97(6):56*
RHEUMATIC DISEASES
• Arthritis of recent onset, evaluation and treatment. 97(4):52*
• Diagnosis, evaluation of commonly ordered laboratory tests. 97(4):65*
• Gout. (PN) 97(6):202
• Polymyalgia rheumatica or Lyme disease, avoiding misdiagnosis in elderly patients. (CR) 97(1):161
• Psoriatic arthritis, clinical features and therapeutic agents. 97(4):97*
• Reactive arthritis possibly Reiter's syndrome, clinical evaluation and treatment. 97(3):111*
• Systemic lupus erythematosus, manifestations of disease, overview of current treatment. 97(4):79*

SCREENING
• Pap smear. (PN) 97(1):178
SEX BEHAVIOR
